

Quality

The DOF Group is committed to delivering quality products and services by working with its customers to understand the needs of their businesses and to consistently meet their requirements.

The DOF Group shall:

- Implement and maintain ISO 9001 compliant business management systems;
- Reinforce our shared commitment to quality at all levels throughout the Group;
- Adhere to the requirements of our business management systems;
- Use judgment in establishing appropriate controls beyond the business management systems for specific projects and activities;
- Ensure that all job functions are performed by competent personnel;
- Strive to develop positive perceptions and confidence in the marketplace;
- Monitor our quality performance and the effectiveness of our quality management systems to drive continual improvement;
- Apply and maintain the highest technical standards on all ships at all times;
- Be in a position to demonstrate that the Group has the necessary controls and resources to satisfy employees, management, customers and regulatory authorities that we conduct business in a professional and competent manner.

Responsibility and application

The Chief Executive Officer of the DOF Group is accountable to the Board of Directors for ensuring that this policy is implemented.

Management at all organisational levels within the DOF Group is responsible for ensuring the success of the Policy through the provision and availability of the necessary resources.

All DOF Group employees and subcontractors have an individual responsibility to ensure that they and their colleagues co-operate with the Group to achieve its quality objectives.

This policy applies to all DOF business units and operations.
